Dear Potential Sponsor:

I am writing you regarding a sponsorship opportunity with our 501(c)3 Non-Profit Organization, 2B Forever Young Inc. The organization was created to provide local youth with the necessary skills and training to succeed within a structured atmosphere focusing on academics, mentorship, leadership, and athletics. We are committed to motivating all youth through academics, community service, and athletics (currently offering football and cheer with other sports in the near future). The organization strives to provide a strong foundation of preparatory skills and encouraging everyone that they too can make a difference within themselves and their communities. Becoming an active sponsor is the greatest and most influential effort anyone can decide and your token of commitment lets the community know that there are true supporters of our youth and the importance of their development. With high hopes, we would like to extend our sponsorship opportunities to you.

Funds received from our sponsors will help cover expenses for educational supplies, field trips, academic support, and athletic equipment. We currently do not have a physical building so monies donated will be used for bus rental for field trips, mobile tutoring, educational supplies, rental fees for motivational speaking programs, and athletic equipment for over 100 youth currently within our program. Your establishment can help us reach our goals by selecting from the attached list of sponsorship opportunities. Our packages range from a \$500 - \$10,000 sponsorship selection and with your generous commitment; we will have an opportunity to provide the necessary and essential tools to each 2B Forever Young member. We greatly appreciate your funding and hope that your business will consider sponsoring our program.

All donations are acknowledged by a token of appreciation and recognition. Please see our list of opportunities. In addition, a copy of our 501(c)3 tax-exempt certificate and W-9 is available upon request for your records. Should you have any questions or require additional information, contact me at 281-889-2875 / [info@2bfy.org](mailto:info@2bfy.org). Please take a moment to visit our website <https://www.2bfy.org>. Thank you for your time and consideration.

Sincerely,

Jarvis Shields  
2BFY President
